## Letter from the Director

**BY CAITLIN COX, DIRECTOR**

As the semester is nearing to a close, I would like to remind everyone to stay safe this holiday season and we hope to see you back in January 2021. Savery Library staff will be available in person Mon-Friday 8:00 am-5:00 pm from Nov. 30-Dec. 18. If you need assistance outside these days and times, our 24/7 librarian chat is available through our website, [library.talladega.edu](http://library.talladega.edu)

Please note, we are still doing Interlibrary Loans, programs, and checkouts through November 18.

## Library Programs

BY ALLEN MCQUEEN, LIBRARIAN

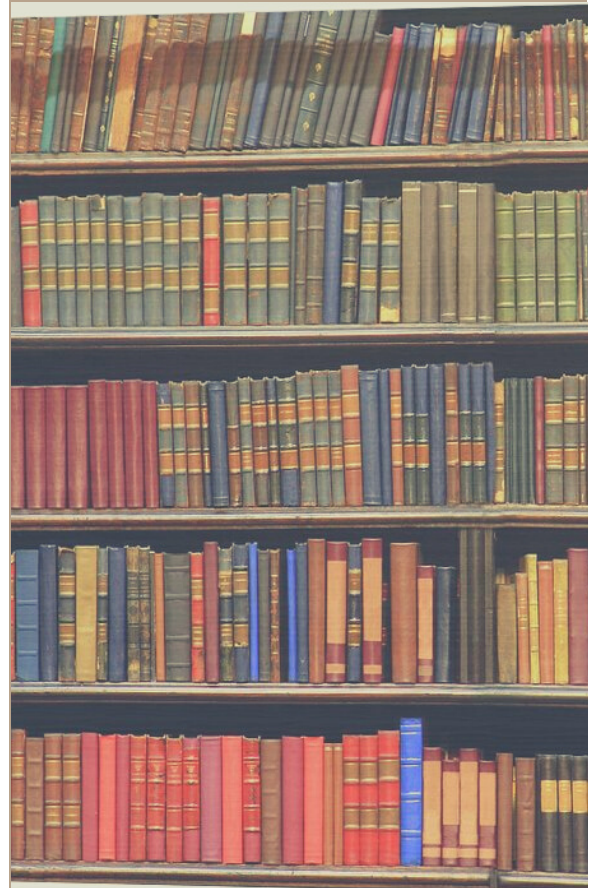

Savery Library had a very busy October. We hosted several programs throughout the month. We continued our weekly Game Nights every Wednesday and held Theater Thursdays. We also played Bingo and Trivia with prizes going to the winners. Three guest speakers made presentations. John Dersham highlighted his book *My Alabama* for our Author talk. David Weigel of the US Space and Rocket Center presented on exoplanets throughout the universe for the Ronald McNair Birthday Celebration. Chaplain Barbara Embry spoke at the National Pregnancy and Infant Loss Remembrance Day event. Shelby Safe Pet was represented at the Community Service Fair. Savery Library also hosted watch parties for the two Presidential debates.

November will be another busy month of programs for Savery Library. We will continue to host Game Night on Wednesdays and Theater Thursdays. Bingo and Trivia will both be held, giving students chances to win prizes. Trivia will be about Talladega College. The NAACP will be present for the Community Service Fair. Savery Library will also hold a Native American Heritage Month presentation.

in human  
history have  
been arrived  
at slowly and  
through many  
compromises"

Eleanor Roosevelt

## From the Archives

BY CASSANDRA BURFORD, LIBRARIAN

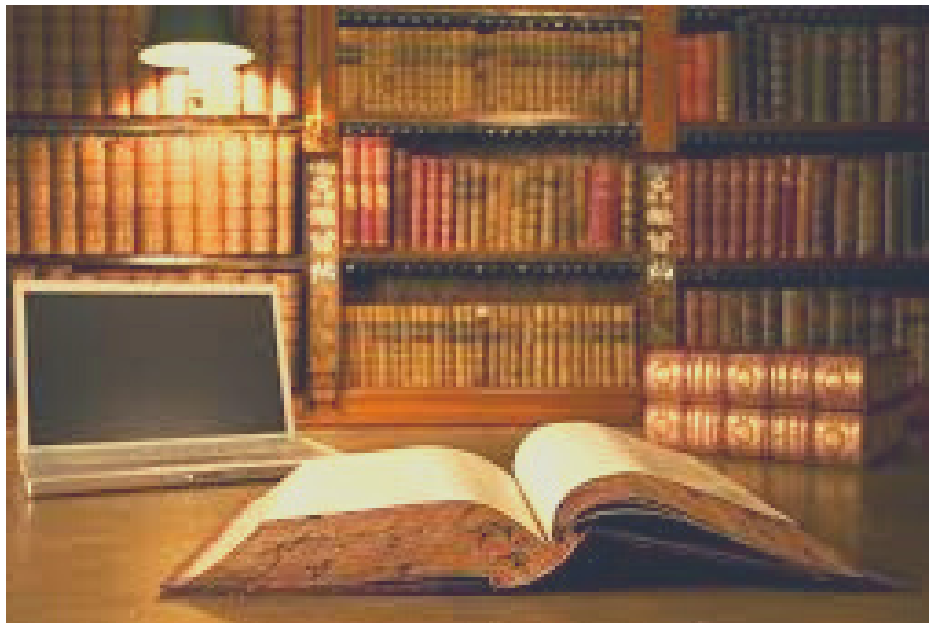

Did you know that Talladega College once had a football team? The first mention of the football team in the archives dates from October 1899, when the Athletic Association of Talladega College petitioned the faculty to grant the use of a plot of land north of Stone Hall to the football and baseball teams.

In 1920, the Pittsburgh Courier, an African-American weekly newspaper, began selecting national champions from black college football teams. That year, Talladega College and Howard University were declared co-champions. In 1921, Talladega College was selected again.

This photo is a shot of the 1933-34 football team in front of Callanan. Top center - jersey number 5 - is a very young Herman H. Long, who would serve as president of Talladega College from 1965 to 1976.

## Student Profile: Carl Killingsworth

**BY PERRY TRICE, ADMINISTRATIVE ASSISTANT**

Born on May 5th, Carl still calls East Point, GA home and travels back as often as he can. Carl is an Elementary Education Major with a Concentration in Special Education. He is on target to graduate May 2021. After graduation from Talladega College this spring Carl plans to move closer to home to attend Georgia State University where he will pursue his masters degree in education with specialization in health and physical education.

When he's not in the computer lab of Savery Library assisting class mates as the Cengage Student Ambassador, Mr. Killingsworth is active in many organizations on and off campus. In addition to being section leader for the Great Tornado Band he is also a proud member of Omega Psi Phi, president of his local chapter of Kappa Delta Epsilon and a member of the Presidential Honor Society.

When pressed on who his favorite professor is, Carl said he couldn't choose between his two mentors, Dr. McKay and Dr. Bridgewater. An avid reader, Carl recommends the book *More than a Bird* by Liz Huntly

Carl's favorite quote is from the poem *See it Through* by Edgar Allen Guest:

"Even hope may seem but futile,  
When with troubles you're beset,  
But remember you are facing  
Just what other men have met."
